## Business Investment Presentation

Powerpoint Template Help File

Thank You For Purchasing Me

### **how to change the images :**

- go to image section.
- click the placeholder > click image icon and choose file from your library (also, you can drag and drop your image to the image placeholder)
- note : click on your pictures you have replace, and click "send to back" because some of the slides contain transparent rectangle.
- some shapes and pictures use shadow techniques. you can set it yourself on style.

### **how to change color theme :**

- go to tab "view" -> "slide master" -> click "colors" on top -> customize colors
- if you want to change the circle layout, just click view-slide master and edit the layout on the first slide (the big slide).

### **how to edit footer and header :**

- you can edit footer and header. it is located in slide master. go to view bar>slide master.

font used in this template :

- poppins (header)
- open sans (body)
