# Documentation

We believe that our effort to create a full product, help a lot of people in their jobs, to save time in life for other good things.

## IMPORTANT NOTICE

Inside product package is a file called "fonts guides" inside you will find links to download all the necessary fonts.

## RECOMENDATION

We recommend to install the latest version of PowerPoint for full product functionality. With older versions, you lose some settings such as transitions, effects or charts.

## SUPPORT

Feel free contact us if you have any question - [goashape@gmail.com](mailto:goashape@gmail.com)
