

Table Infographic Presentation Template

Changing Image

go to image selection

after that click the area > drag your image into placeholder or double click image icon and choose file from your library

don't forget after dragging your pictures into the picture placeholder, right click on your pictures you have dragged, and click "send to back" because some of the slides contain transparent rectangle.

Changing Color

to change color just go to design>color>and select your favorite color

if you want to change the circle layout, just click view-slide master and edit the layout on the first slide (the big slide).

you can edit footer and header. it is located in slide master. go to view bar>slide master.

How To Install Fonts

double click > install

font :

- mukta (header)
- poppins (body)

<https://fonts.google.com/>
